

GUIDE TO ASGA WORKSHOPS

2023 NEW OFFICERS SG TRAINING CONFERENCE

How do you choose which workshops to attend? Look for these icons on the conference schedule to decide which workshops will best meet your needs.

Goal-Setting Techniques

Often our SG sets goals at the beginning of the term, but by mid-term we have lost our way; not made the kind of progress we wanted; or, found that we cannot achieve what we set out to do. Sometimes it is the loftiness of our expectations that were a problem from the start. Other times, we just did not operationalize the goals with action plans. These sessions are designed to provide your SG with techniques for realizing your full potential. If the outcome of your SG work does not measure up to the goals you established, then someone from your delegation should attend one of the sessions with this icon.

Organization Effectiveness

Whether you are a newly established, struggling, or high performing SG, organizational effectiveness is an essential aspect to your fulfilling your mission and established goals. These sessions are designed to set your SG up for success with tools. If your SG identifies this as a potential issue, do yourselves and your student body a favor – ensure that someone from your delegation attends any of the sessions with this icon.

Teambuilding

Sometimes, as individuals, we are so focused on getting things done that we forget that it takes teamwork to make the dream work. These sessions are designed to enhance the "feel" of your SG to allow you to work together to accomplish more, while also enjoying the experiences with those with whom you are working. If your SG struggles with teambuilding, then someone from your delegation should attend one of the sessions with this icon.

Conflict Resolution

Conflict is an inevitable part of any effective SG. If you don't have it, then something is probably "off" within your organization. It's not a question of if you will experience it, rather it's how you will deal with it that's important. If your SG gets bogged down by the drama, or you feel you can improve in this area, attend any of the sessions with this icon.

Delegation

Do you feel like only a few people are engaged in your SG? Sometimes we do not maximize our SG's potential because we fail to spread the work around. This can often lead to high rates of burnout and turnover within SG. If your SG is not effectively utilizing the wealth of talent within its ranks, be sure that someone from your delegation attends any of the sessions with this icon.
